

Exclusive program for preferred brokers

Introducing Construction PRO

Construction PRO (Premium Resources for Originators) rewards high-performing brokers like you with **premier access to industry information** to help you grow your business. Construction PRO from Builders Capital Mortgage is the only program of its kind offering you:

- Access to **current builder leads** in your area
- **Marketing support** through campaign sponsorship and co-branding with your **free PRO Funds account**
- **Education opportunities** through leading industry research and expertise
- **Special recognition** through events and rewards
- The **latest news and trends** through our newsletter

Best of all, membership in Construction PRO is **free!** Your membership is in recognition for the work we've done together – **there's nothing more that you need to do.** We want to help you grow your business and keep our construction industry thriving.

If you're ready for premium resources to grow your business, learn more about Construction PRO by calling **Gerri Bergford at (206) 267-2655.** You'll automatically receive your first list of builder leads and our newsletter, **Broker+Builder.**
